

Sei Whale (Eastern North Pacific Stock)
Balaenoptera borealis

Figures

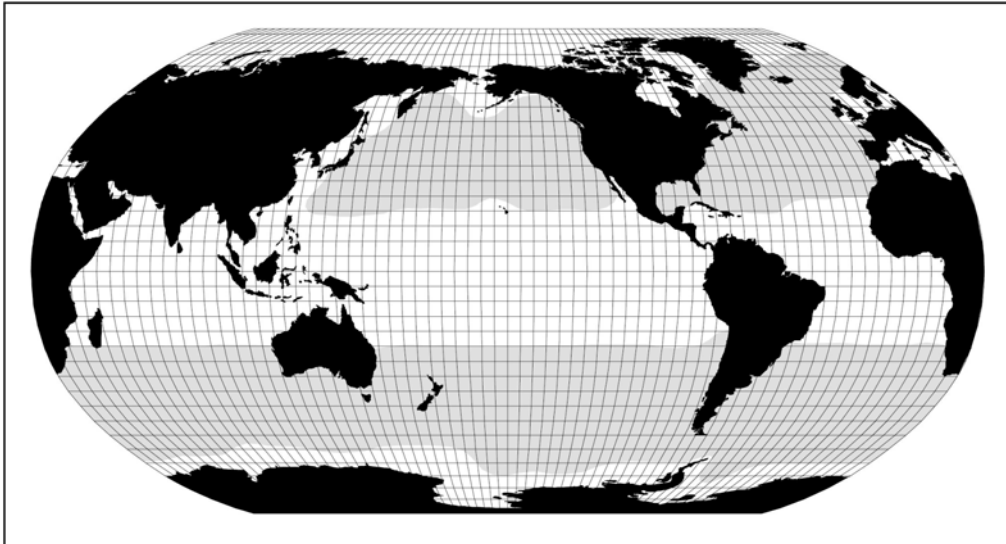

FIGURE 1. The world-wide geographic range of sei whales *Balaenoptera borealis* (from [4]Perry et al. 1999).

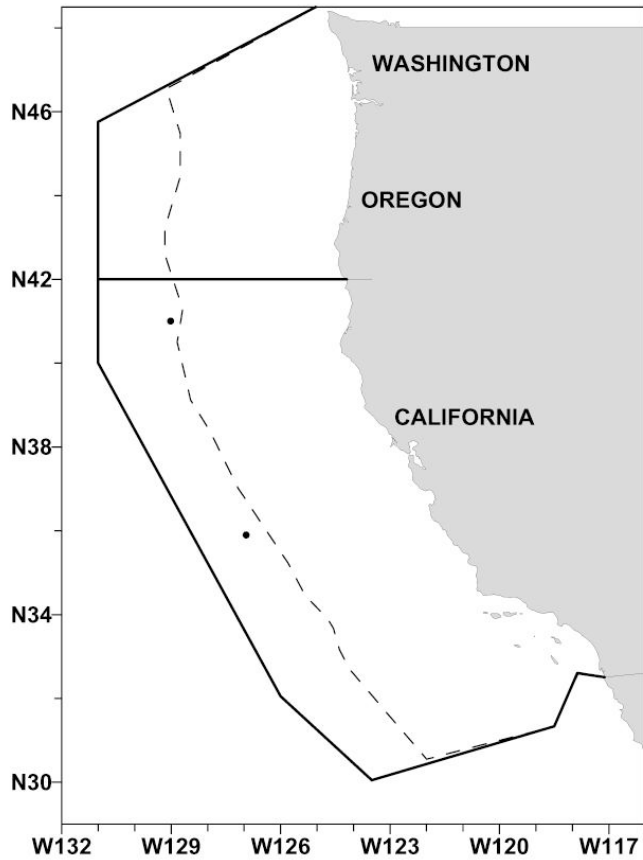

FIGURE 2. Sightings of sei whales based on aerial and shipboard surveys off California, Oregon and Washington, 1991-2001. Dashed line represents the U.S. Exclusive Economic Zone (EEZ); bold line indicates the outer boundary of all surveys combined (reprinted from [2]Carretta et al. 2005; see Appendix 2 of that report for actual transect lines surveyed).
