

Directions to R/V FULMAR floating dock:

From Old Monterey, take Lighthouse Ave NW towards New Monterey, exit immediately after the tunnel onto Foam Street.

- a) For free long-term parking: continue to the Monterey Bay National Marine Sanctuary office at 299 Foam St. (left at Dickman St., left into parking lot)
- b) For metered parking at the Breakwater Cove Marina: take the first right from Foam St. onto Cannery Row and proceed straight to the Breakwater Cove parking lot.

The FULMAR floating dock is located at the end of the breakwater next to the USCGC HAWKSBILL. The gated pier is a secure area maintained by the USCG.

If the breakwater gate is locked, please contact the vessel crew or Vessel Operations Coordinator to assist:
